SYNOPSIS

The truth, the whole truth, and nothing but the truth...That is all I want, all I need. After everything we went through, everything we shared, he owes me that much. It's time to start over, start dating, and move on. But when I do, it's a constant reminder, of him, of us, of everything we lost. So now, I am going to go back, to get the truth, the answers, to everything. When I do, this time it's me with a secret to hide. 31 Days of Summer is the second book in the 31 Days erotic romance trilogy, which must be read in sequence to avoid spoilers. The series contains adult themes ~ Suitable for the over 18's only. This book was previously released with a different cover image and book description.
