by Lynette Eason

SYNOPSIS

When it becomes clear that popular psychiatrist and radio personality Wade Savage has a stalker, his father secretly hires Elite Guardians in order to protect his son. But when Wade's bodyguard is attacked and nearly killed, agency owner Olivia Edwards must step in and fill the gap. Olivia's skills are about to be tested to the limit as Wade's stalker moves from leaving innocent gifts at his door to threatening those closest to him--including Olivia. But in her mind, even more dangerous than the threats to her life is the hold her handsome client has on her heart.
