[SYNOPSIS](#)

DOWNLOAD From USA Today bestselling author Parker S. Huntington comes a steamy, slow-burn love story full of unexpected love and banter. It started with my bladder. I didn't mean to witness a shady deal in the restroom hallway. I didn't think twice when I called the cops. And I certainly didn't know who the club belonged to. Asher Black. Former mafia hitman. Billionaire CEO. New York's most eligible bachelor. When he shows up at my college, looking for the girl who called the cops on his business, I know I'm as good as dead. What I don't expect is his offer--he'll pay my tuition and set me up with a cushy job after I graduate. All I have to do is... be his fake fiancée. Asher Black is a 90,000-word standalone novel in The Five Syndicates mafia romance series. *Asher Black (The Five Syndicates, #1)* **popular book online top (hyyjui0986u7676)**
