by Nora Roberts

SYNOPSIS

From #1 New York Times bestselling author Nora Roberts presents a novel of redemption and suspense, as a woman haunted by the unsolved murder of her childhood friend returns to her small South Carolina hometown. . . .Tory Bodeen grew up in a run-down house where her father ruled with an iron fist and a leather belt?and where her dreams and talents had no room to flourish. Her one escape was her neighbor Hope, who lived in the big house just a short skip away, and whose friendship allowed Tory to be something she wasn't allowed to be at home: a child. Then Hope was brutally murdered, and everything fell apart.

Now, as she returns to Progress with plans to settle in and open a stylish home-design shop, Tory is determined to find a measure of peace and free herself from the haunting visions of the past. As she forges a new bond with Cade Lavelle?Hope?s older brother and the heir to the family fortune?she isn't sure whether the tragic loss they share will unite them or drive them apart.
