SYNOPSIS

Passion flares between a mysterious woman and a covert investigator who knows her secret???With death threats behind her and a hot new appearance, "Kelly Ladd" defies Identity Division rules to go undercover in Blue Haven. She's determined to bring down her sister's killer and protect her nephew. A job as a waitress seems like the perfect disguise?until she's recognized by Alan Correy, a security expert with a competing agenda! Although Kelly mistrusts Alan as much as he disdains her rule breaking, they agree to work together, even pretending to date. But as they close in on the killer, the romance becomes real?as real as the death the murderer leaves in his wake.??
