I normally find myself skimming through characters to get to the ones I like, but not this time! I loved every sentence of every character introduced and simply want more!" "I.T. Lucas's talent for the written word certainly deserves its own unambiguous round of applause. If not for the aforementioned, then certainly for the accolade due to a read engrained with a flawless buildup and execution of developments." - OnlineBookClub.org Since the dawn of human civilization, two warring factions of near-immortals - the descendants of the gods of old - have been secretly shaping its destiny. Amanda's small clan champions progress and peace, while their powerful enemy, the Doomers, propagates ignorance and war.
