Dark Guardian Found (Children of the Gods #11)
by I.T. Lucas

SYNOPSIS

What would you do if you stopped aging? Eva runs. The ex-DEA agent doesn't know what caused her strange mutation, only that if discovered, she'll be dissected like a lab rat. What Eva doesn't know, though, is that she's a descendant of the gods, and that she is not alone. The man who rocked her world in one life-changing encounter over thirty years ago is an immortal as well. To keep his people's existence secret, Bhathian was forced to turn his back on the only woman who ever captured his heart, but he's never forgotten and never stopped looking for her.
