### Dark Witch (The Cousins O'Dwyer Trilogy, #1) by Nora Roberts

### SYNOPSIS

**DOWNLOAD** With indifferent parents, Iona Sheehan grew up craving devotion and acceptance. From her maternal grandmother, she learned where to find both: a land of lush forests, dazzling lakes, and centuries-old legends. Ireland. County Mayo, to be exact. Where her ancestors' blood and magic have flowed through generations?and where her destiny awaits. Iona arrives in Ireland with nothing but her Nan's directions, an unfailingly optimistic attitude, and an innate talent with horses. Not far from the luxurious castle where she is spending a week, she finds her cousins, Branna and Connor O'Dwyer. And since family is family, they invite her into their home and their lives. When Iona lands a job at the local stables, she meets the owner, Boyle McGrath. Cowboy, pirate, wild tribal horseman, he's three of her biggest fantasy weaknesses all in one big, bold package. Iona realizes that here she can make a home for herself?and live her life as she wants, even if that means falling head over heels for Boyle. *Dark Witch (The Cousins O'Dwyer Trilogy, #1)*
