Death's Shadow
by T.J. Hamilton

SYNOPSIS

My name is Tatiana Pavlenka. I am the Russian Ballet's Prima Ballerina. It's been a tough journey to reach the pinnacle of my career, and it has come at a great cost ... my soul. I have been known by many names throughout my young life, but no one knows the true identity of who I really am. War is about to break out around Russia, and it is the perfect opportunity for me to kill every man who has hurt me; who had his way with me. The evil that's about to strike down on Russia's powerful men isn't from their neighbouring countries. It's from me, the one they call Ten' smerti ... Death's Shadow.
