SYNOPSIS

DOWNLOAD In the land of aloha and paradise, dark secrets lurk just below the surface. When a tragic accident downs a tourist boat off the coast of Hawaii, dolphin researcher Kaia Oana is one of the first in the water, risking her own life to try and save others. She's enlisted to help the U.S. Navy find out what really happened ? utilizing her specially trained dolphins to help Kaia and Lieutenant Commander Jesse Matthews team up in the investigation ? but as they edge closer to the truth about the incident, their own lives are threatened. Will a spirit of grace and forgiveness prevail or will it be overshadowed by the distant echoes of past pain and the imminent danger from a cold-blooded killer? Set on the breathtaking Hawaiian island of

Kauai, this novel provides an intoxicating mix of romance and suspense with the rhythms of island life. **RUNNING TIME ? 10hrs. and 27mins. ? 2014 Colleen Coble (P) 2019 Recorded Books *Distant Echoes* (Aloha Reef, #1) popular book online top (hyyju0986u7676)**
