SYNOPSIS

DOWNLOAD New York was supposed to be our fresh start. Our happily ever after. But James is hiding something from me. Secrets from James' past, his scheming ex, and unsupportive parents make it hard to breathe in this city that barely feels like my home. I thought I wanted to marry him. I thought he was the man

of my dreams. I thought we'd be happy as soon as we got away from all the rumors. But now? I don't think I ever really knew Professor Hunter. And I can't walk down the aisle until I know the truth. *Eruption (The Hunted, #3)* **popular book online top (hyyjui0986u7676)**
