**Fallen (Deep Ops, #2)  
by Rebecca Zanetti**

**SYNOPSIS**

Too quiet. A talented hacker who got caught, Brigid Banaghan is now forced to work with a secret Deep Ops unit. But she won't reveal any more to these renegade Feds than she has to. Especially not to Raider Tanaka, her control freak of a bodyguard and handler. It's enough that his body is tensed for action and his heated gaze is always on her . . . Too sharp. Raider knows there's more to his new assignment than he's been told. Why send a deadly agent of his experience to guard a computer genius?even a gorgeous, unpredictable, undisciplined one? But when Brigid's estranged father is named in an investigation into Boston's organized crime, Raider's mind switches onto high alert, just like his senses . . . Too close. To clear her father's name, Brigid needs Raider's help. The Unit's idea that she bring a straight-laced Fed in as her "fianc?" won't fly, though?not unless Raider can release his inner bad boy and become the rebel Brigid can't resist . . .
