Hidden (Deep Ops, #1)
by Rebecca Zanetti

SYNOPSIS

Hide. That's all Pippa can do to escape the terror chasing her. But now that she's off the grid in a safe house, she finds plenty of interesting things to watch through the window. Like her new neighbor, with his startling green eyes, killer smile, and sexy bad-boy tattoo . . . Run. Malcolm West is fleeing the hell he unleashed in his last assignment as an undercover cop. A backwoods bungalow sounds like the perfect place to start over. Until he discovers he's been set up . . . Fight. Someone's gone to a lot of trouble to bring them together. No matter how much he resents that, and his own driving needs, Malcolm will have to dig deep and let loose the banished killer inside himself, or Pippa's fears could come true faster than the flip of a bolt in a lock . . .
