House of Scarlett (Legend Trilogy, #2)
by Meghan March

SYNOPSIS

Gabriel Legend is unlike any other man I've ever met. He came into my life like a hurricane, shattering all my assumptions and preconceived notions. I wasn't prepared for him. I wasn't prepared for any of it. Whatever happens next, I know one thing for certain. I will never be the same Scarlett I was before I met him. 'House of Scarlett' is the second book of the Legend Trilogy and should be enjoyed following 'The Fall of Legend'. Scarlett and Legend's story concludes in 'The Fight for Forever'. ©2019 Meghan March (P)2019 Meghan March
