**SYNOPSIS**

**DOWNLOAD** As a forensic genealogist, Willow Anderson is following in her late grandfather's footsteps in her quest for answers about a baby abducted from the hospital more than twenty years ago. The case may

be cold, but things are about to heat up when someone makes an attempt on her life to keep her from discovering the truth. Ex-FBI agent--and Willow's ex-flame--Austin McKade readily offers his help to protect the woman he never should have let get away. Together they'll follow where the clues lead them, even if it means Austin must face the past he's spent much of his life trying to forget. And even if it puts

Willow's tender heart at risk. In this fast-paced and emotional page-turner, bestselling author Elizabeth Goddard keeps the stakes high, the romantic tension sparking, and the outcome uncertain until the very end.
