Synopsis:=====

He never meant to hurt her. Levi "Painter" Brooks was nothing before he joined the Reapers motorcycle club. The day he patched in, they became his brothers and his life. All they asked in return was a strong arm and unconditional loyalty—a loyalty that's tested when he's caught and sentenced to prison for a crime committed on their behalf. Melanie Tucker may have had a rough start, but along the way she's learned to fight for her future. She's escaped from hell and started a new life, yet every night she dreams of a biker whose touch she can't forget. It all started out so innocently—just a series of letters to a lonely man in prison. Friendly. Harmless. Safe. Now Painter Brooks is coming home—and Melanie's about to learn that there's no room for innocence in the Reapers MC.
