### SYNOPSIS

**DOWNLOAD** Cast aside and forced to live apart from his family as a child, Rokai ahl has become insolent, resentful, angry, borderline criminal, and a general outcast as an adult. He has managed to build a life for himself in which he answers to no one and nothing. His loyalty lies with only himself. Having been

captured, and threatened with execution as a thief and smuggler, he is surprised when the Consortium delivers him into the hands of a certain male. The very male he has resented since he was old enough to understand, that because of this male, he would never be enough. He stalks the corridors of Command Warship 1, on lockdown, arrogantly daring any and all to challenge him. But of course, none do. Until a golden skinned, curvy, human female dares to go toe-to-toe with him ? to take from him, and leave him wanting. Who is this fiery little female? Why does she not fear him as all others do? Intrigued, he will not stop until he knows all there is to know about her. Growing up on the *Redemption (Haven #2)* **popular book**
