**Remember When (includes In Death, #17.5)
by Nora Roberts**

SYNOPSIS

Laine Tavish is an ordinary woman living an ordinary life in the small town of Angel's Gap, Maryland, as the proprietor of Remember When, an antique treasures and gift shop. At least, that's what everyone in Angel's Gap thinks. They have no idea that she used to be Elaine O'Hara, daughter of the notorious con man Big Jack O'Hara. Or that she grew up moving from place to place, one step ahead of the law . . . Laine's past has just caught up with her, though-in a very dramatic way. Her long-lost uncle suddenly turned up in her shop, leaving only a cryptic warning before dying in the street, run down by a car. Soon afterward, her home is ransacked. Now it's up to Laine, and a sexy stranger named Max Gannon, to find out who's chasing her, and why. The answer lies in a hidden fortune-a fortune that will change not only Laine's life but also the lives of future generations. And danger and death will surround that fortune for years to come. Until New York City detective Lieutenant Eve
