SYNOPSIS

DOWNLOAD With humanity's back against the wall... A signal from space could be the key to saving the human race... As the clock ticks down, a team of scientists will risk it all to unravel the secrets of the

Atlantis World. _____ Northern Morocco:

Dr. Kate Warner cured a global pandemic, and she thought she could cure herself. She was wrong. And she was wrong about the scope of the Atlantis conspiracy. Humanity faces a new threat, an enemy beyond imagination. With her own time running out and the utter collapse of human civilization looming, a new hope arrives: a signal from a potential ally. Arecibo Observatory: Mary Caldwell has spent her life waiting, watching the stars, looking for signs of intelligent life beyond our world. When that day comes, Mary finds herself in the middle of a struggle older than the human race, with far greater stakes. She must decide who to trust, because there's nowhere to hide. Antarctica: In the wake of *The Atlantis World* (*The Origin Mystery*,
