The Best of Me
by Nicholas Sparks

SYNOPSIS

In the spring of 1984, high school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. But as the summer of their senior year came to a close, unforeseen events would tear the young couple apart, setting them on radically divergent paths. Now, twenty-five years later, Amanda and Dawson are summoned back to Oriental for the funeral of Tuck Hostetler, the mentor who once gave shelter to their high school romance. Neither has lived the life they imagined. As Amanda and Dawson carry out the instructions Tuck left behind for them, they realize that everything they thought they knew was not as it seemed. Forced to confront painful memories, the two former lovers will discover undeniable truths about the choices they have made. And in the course of a single, searing weekend, they will ask of the living, and the dead: Can love truly rewrite the past?
