## The First Wife by Erica Spindler

## SYPNOSIS

An idealistic young woman marries a man she barely knows only to discover his first wife disappeared under mysterious circumstances. As a child, Bailey Browne dreamed of a knight in shining armor swooping in to rescue her and her mother. As she grew older, those dreams transformed, becoming ones of a mysterious stranger who swept her off her feet and whisked her away from her ordinary existence; then, suddenly, there he was. Despite the ten-year difference in their ages and her working class upbringing and his of privilege, Logan Abbott and Bailey fall deeply in love. Marriage quickly follows.But when Logan brings her home to his horse farm in Louisiana, a magnificent estate on ninety wooded acres, her dreams of happily-ever-after begin to unravel. A tragic family history Bailey knew nothing about surfaces, along with whisperings about the disappearance of his first wife and rumors about women from the area who have gone missing, and when another woman disappears, all signs point to
