The House on Foster Hill
by Jaime Jo Wright

SYNOPSIS

Kaine Prescott is no stranger to death. When her husband died two years ago, her pleas for further investigation into his suspicious death fell on deaf ears. In desperate need of a fresh start, Kaine purchases an old house sight unseen in her grandfather's Wisconsin hometown. But one look at the eerie, abandoned house immediately leaves her questioning her rash decision. And when the house's dark history comes back with a vengeance, Kaine is forced to face the terrifying realization she has nowhere left to hide. A century earlier, the house on Foster Hill holds nothing but painful memories for Ivy Thorpe. When an unidentified woman is found dead on the property, Ivy is compelled to discover her identity. Ivy's search leads her into dangerous waters and, even as she works together with a man from her past, can she unravel the mystery before any other lives—including her own—are lost?
