The Me I Used to Be  
by Jennifer Ryan

### [SYNOPSIS](#)

**DOWNLOAD** From the New York Times and USA Today-bestselling author Jennifer Ryan comes a new story that combines the very best of family drama, suspense, and the happily-ever-after we all crave. Life

can change in an instant. Evangeline Austin returns home, disgraced and destitute. Sentenced to jail for a crime she didn't commit, she's shocked to discover her father has left her a inheritance?the struggling family ranch. Her brothers want to sell, their wives want a piece of the pie, and Evangeline surprises herself when she decides to make the ranch successful once more. Curiously, the one person on her side seems to be Chris Chambers?the cop who sent her away four years ago. Now, Evangeline needs to come to terms with the secrets that put her in prison, and the legacy of land, of family, and of home that she's come to love.
