SYNOPSIS

The bully isn't supposed to win. Senior year was off to a rough start: lube in my locker, panties on my front porch, unimaginative name-calling. See, I got a player suspended from the football team for harassing me, and in my small Texas town, you don't mess with the football players—even if they mess with you first. I didn't care if it was an unpopular thing to do; I stood up for myself and in doing so, opened Pandora's Box. I never dreamed I would attract the attention of locally worshipped star quarterback, Carter Mahoney.

Never imagined his coveted attention would turn out to be such a nightmare. Beneath his carefully constructed facade lurks a monster, a predator looking for the perfect prey to play with. Now, since I'm the girl no one likes or believes, I guess I'm the perfect target for his dark games and twisted desires. After surviving my first encounter with his casual depravity, all I really want is for Carter to leave me alone. But all he seems to want is me. Warning:
