Waking with Enemies (Gideon #2)
by Eric Jerome Dickey

SYNOPSIS

New York Times best-selling author Eric Jerome Dickey sizzles in this rapid-fire sequel to *Sleeping with Strangers*, which finds international hit man Gideon waking up with his past haunting him and danger knocking at his door. After a heated encounter inside a London hotel room - where he was pursued by three very different women - Gideon finds himself living in a world where there's no one to trust. Someone has taken out a hit on the hit man - but who? Could it be the man he left alive in Tampa, the woman who taught him to kill, the scorned woman he still desires, or some other unseen enemy? The clock is ticking as Gideon struggles to find out who from his past may have ordered the hit, while attempting to outsmart the assassin who was sent to kill him - a cold-blooded killer who isn't afraid to harm any woman involved with Gideon and is determined to make his reputation off Gideon's death. As the hunter becomes the hunted, Gideon's hedonistic lifestyle turns into a deadly game of cat
